Man, I wish I could travel like you guys. I am around today if you want to talk. I am traveling to Quito tomorrow (Wed). Best, SRD

I have it and will send it along shortly. I think getting them to rescind would be great, more for our case but for theirs too. The problem is how to do it, since we can't necessarily just submit something and expect a ruling. Maybe Pablo can have one of his backroom conversations -- it's worth just asking them how they would go about it.

Things were wild getting into and out of NY with the storm and losing electricity at D's parents' place -- we barely made it, and I am in London now. I'm staying at a friends house for a few days with (finally) a reliable internet connection, so I think I can be available some this week if you would like. I guess you are travelling to Ecuador today (Tuesday)? I will try to call or otherwise expect to get in touch tomorrow and later this week. Next week, just so you know, I will be moving to a house with a much less reliable internet connection but I should still have some time to work on this and that.

Best
Aaron
